| 10. | Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions) | A street play was arranged for generating awareness regarding water and air pollution and its ill effects on the overall health on the occasion of Aazadi ka Amrut Mahotsav 2023 . Total 8 students(Internship batch 2018 -B batch) participated in the play. Display charts having information regarding various reasons of Air & water pollution and preventive measures were prepared by the students. Students presented small episodes of Doctor-patients visit for the various hazardous effects of air & water pollution on health . Patients attending daily OPD of Dr. BSTRH attended it & were happy to get all this information . There was a good feedback from the patients. |
