ways by which one should take care of one's own voice. In the Department of ENT and Head Neck Surgery we celebrated the day with great enthusiasm. A slogan writing contest was being organised for our students and interns and they actively participated in it. The slogans were demonstrated in front of our OPD and 1st prize was won by Samruddhi Patil, from 1st MBBS and 2nd prize was won by Sakshi Nikalje ,also from 1st MBBS. An awareness speech was being delivered by our speech therapist Ms Maithili Mule. We received a good response from the patients and their attendants who eagerly asked us regarding various methods of taking care of our voice. The importance of maintaining ones voice to improve ones communication skill is stretched upon by Laryngologists and this day commemorates the same.
