

ACTIVITY REPORT

1.	Name of the activity	Interdepartmental teaching with Surgery Topic-Evaluation of Breast for the Gynaecologist
2.	Organizing department/s	Department of OBGY
3.	Name of the Head of department/ Event in-charge	Dr Vaishali Korde Dr Pranali Ghuge
4.	Date & Time	25/01/2023 Time- 1:00pm to 2:00pm
5.	Venue / Place	SKILLS LAB
6.	E mail / Circular / Notification about the event (mentioning Date, time, venue, guest, speaker, faculty etc.)	Attached
7.	Pamphlet (if any)	NA
8.	Total number of participants/beneficiaries	PG Students –22 Faculty-11
9.	Attendance (if applicable)	Attached
10.	Faculty / Speaker	Dr Ojas Wadhwa Assistant Professor Dept. of Surgery
11.	Coloured geo-tagged photos (2 to 4)	Attached
12.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	Department of OBGY recently conducted a comprehensive interdepartmental teaching session on breast examination, emphasizing its significance in clinical practice by Dr Ojas Wadhwa. Despite being primarily associated with surgery, the session highlighted the relevance of gynecologists in addressing women with breast-related concerns. During the presentation, Dr. Wadhwa provided a detailed overview of common breast problems

		<p>encountered in the OPD and offered insights into their management. The discussion covered various clinical presentations such as mastitis, breast abscess, nipple discharge, and breast lumps, with a focus on practical approaches to diagnosis and treatment.</p> <p>The session, attended by residents and faculty from the Obstetrics and Gynecology and Surgery departments, included a hands-on demonstration of the correct breast examination technique. This practical aspect aimed to enhance the skills of the residents in conducting thorough and accurate breast examinations. Feedback from the attendees was overwhelmingly positive, with participants finding the session highly informative. Dr. Wadhwa adeptly addressed numerous questions from the audience, further enriching the learning experience. Encouraged by the success of this interdepartmental teaching session, there are plans to organize more such sessions in the future, fostering collaborative learning among students and professionals.</p>
