2.	Occasion (if any)	National Safe motherhood day on 11 th April 2023
3.	Organizing department/s	Department of OBGY
4.	Activity Coordinator	Dr Rishabh Ramugade
5.	Date & Time	11 th April 2023 at 11.00am
6.	Venue / Place	Labour Room Complex
7.	E mail / Circular about the event (mentioning Date, time, venue, guest, speaker, faculty etc.)	Attached
8.	Pamphlet/Flyer	Attached / Not attached
9.	Total number of participants/beneficiaries/ Viewers	Total -42 PG -06 , UG-12, Interns -13 , Staff Nurses -11
10.	Attendance (if applicable)	Attached
11.	Faculty/Team involved	Dr Vaishali Korde, Dr Jitendra Mane
12.	Coloured geo-tagged photos (2 to 4)	Attached
13.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions etc.)	On the occasion of 'NATIONAL SAFE MOTHERHOOD DAY' celebrated on 11 th of April, the department of Obstetrics and Gynaecology conducted a drill on management of postpartum haemorrhage. Postpartum haemorrhage, being the important cause for maternal morbidity and mortality needs to be aggressively managed. So, a drill was conducted in the labour room of BSTR hospital, which is well equipped to manage such emergency. Post Graduate students, senior residents, interns, and nursing staff of labour room along with undergraduate students participated in this drill. Dr Vaishali Korde and Dr.Jitendra Mane assessed the performance of the participants in the drill. The drill was conducted first by the Post graduate students and Interns. The students could effectively perform all the necessary steps needed for managing a case of post-partum haemorrhage with appropriate communication regarding the condition of the patient with the relatives and documenting it in files. Also the Nursing staff being trained during Manyata and LaQshya could use their

		<p>knowledge and complete the drill. All the participants acted as a team to perform the drill.</p> <p>On completing the drill, the participants were assessed by Dr Vaishali Korde and Dr Jitendra Mane and all the participants could give appropriate answers to the questions asked. Dr Vaishali Korde and Dr Jitendra Mane gave their valuable inputs regarding the management of post-partum haemorrhage and also updated everyone present regarding the recent updates in the management.</p> <p>The drill being an appropriate tool to build the competencies of the residents and students is necessary to be conducted to manage such emergency situations.</p> <p>There was also a health talk session conducted in the OPD for the antenatal patients. Dr Anushri Kogrekar (JR-2) and Dr Pranali Ghuge (Assistant Professor) emphasised the importance of early registration in pregnancy, regular visits to the hospital, identification of high-risk signs and importance of institutional delivery. This talk was appreciated by the patients and their attendants.</p>
