Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	The residents and faculty of OBGY participated in the CPC conducted by the pathology department on 13/10/2022 at 2.30pm. A case of 38 years old patient with borderline ovarian tumor was discussed by the residents and faculty of Pathology and OBGY. Dr. Nandan JR 3 from OBGY , Dr Sayali JR3 Pathology, presented the case from gynae and pathology point of view. Dr . Harsha associate professor and Dr Jaya assistant professor obgy discussed borderline ovarian tumor. It was attended by the faculty and residents of obgy and pathology and we had a healthy bilateral discussion regarding this case. Residents as well as faculty were greatly benefitted by this and we plan to participate in more of such sessions in future.
