Respected Madam/Sir,

The MLA of our constituency Mr.Sunil Anna Shelke, through *Maval Development Foundation*, has organized a Mega Health Camp (महा आरोग्य शिबीर) on 14th, 15th & 16th October 2022.

It will be a multi-diagnostic, multi-specialty medical camp and is supported by the Public Health Department of state government.

It is expected that around 10,000 people from the region will be attending the camp, which will have the participation of many other hospitals in Pune too.

Our institute, being the largest in the region, will be the major partner for the camp and will be providing the necessary technical support - in the form of deputing a "specialist medical team" and providing the necessary management for the beneficiaries at our Dr.BSTR Hospital. A vast majority of these patients will prefer our hospital for further treatment, hence it is an opportunity for our institute to increase the patient base.

All the patients requiring cataract surgeries will be treated at Dr.BSTR Hospital free of charges, under the NPCB.

Considering the enormity and the potential of the camp, our our hospital will be deputing a large team, the composition of which would be as follows -

1. MEDICINE (TWO FACULTY, TWO JR-3s)
2. SURGERY (TWO FACULTY, TWO JR-3s)
