Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	The department of Obstetrics and Gynaecology organised an online guest lecture on 19 th September 2022 on 'Post placental intrauterine device-PPIUCD' by Dr Hemant Damle, Professor obgy Kashibai Navale Medical College and hospital. To address the unmet needs of contraception and to motivate the students and faculty to counsel and encourage the patients to adopt IUDs as a mean of contraception which is free in our hospital. Dr Damle, who has done a research project on the topic, emphasised the importance of antenatal counseling for contraception. He shared his insights into the field of contraception and PPIUCD. The talk was attended by faculty, PGs and nursing staff as well. It was an interactive session. This session re-enforce our commitment to provide post partum contraception to our patients.
