

MIMER MEDICAL COLLEGE, TALEGAON DABHADE
DEPARTMENT OF OBSTETRICS & GYNAECOLOGY
FACULTY AWARDS / ACHIVEMENT

In the National program arranged by Federation of Obstetrics and Gynaecology society of India (FOGSI) on 17th September 2022, at BKC Mumbai ,

Dr. Vaishali Korde, was awarded the Prestigious **National FOGSI -DHEERA AWARD** for her contributions to women's health.

DHEERA (meaning courage), flagship campaign by FOGSI, in partnership with UNICEF, was launched with an intent to address causes and risk factors related to violence against women and also provide a sensitization program to orient and train boys, girls, school teachers and FOGSI members on aspects relating to preventing violence against women and girls and bringing about an overall shift in the social outlook.

Dr. Korde is a National Master Trainer of the DHEERA campaign. She has played a pivotal role in designing this special program to sensitize school children (8-10 std.) about violence against women.

She has done commendable work in this field by means of creating awareness, advocating zero tolerance and sensitizing not only the women but also the society at large, about violence against women and the action needed. FOGSI, the national organization has taken note of her work and rewarded her with the National FOGSI DHEERA award 2022. As gynaecologists work intimately with women, they share the responsibility to flag any violence noted in their patients which is actively being done in the department of OBGY, under the guidance of Dr Vaishali Korde.

Subject: Invitation to receive the DHEERA Award - 16.9.2022 in Mumbai

Dear Dr. Vaishali Korde-Nayak,

Greetings from FOGSI!

My hearty congratulations to the winner of the DHEERA Award!

As President FOGSI, I have affirmed my commitment to improving women's Health in India and minimizing maternal mortality and morbidity. As you all know, my theme this year is "FOGSI FOR ALL & ALWAYS and DHEERA - Stop Violence Against Women" which is being emphasized in every program of FOGSI and in every platform.

My vision is to reach every Fogsian and help them update their knowledge, enhance their skill, and to improve the quality of care to mother's and our joint effort will ultimately decrease maternal morbidity and mortality.
