COMMENTS REGARDING CAMP

Department of obstetrics & Gynaecology would like to thank honourable Executive Director & the administration for giving full support to conduct the Multi diagnostic health camp for the mentally challenged inmates of Kamayani school on 30/08/2022. Our department participated with great enthusiasm to give good service to the patients who attended the camp. A proper arrangement for the smooth functioning of the camp was formulated by the Head of the department and faculty. Dr.Nandan Nagaonkar,Junior Resident attended to 20 patients with menstrual complaints and treatment was given to them. As these women were mentally challenged the guardians were also counselled regarding their problems.

A feedback from patients and guardians was excellent.
