8	Brief summary of	Colloquium 2022 is an undergraduate symposium, of the students, by the
	the event in	students and from the students. It's being conducted, to built up confidence in
	around 100 words	the UG students as an orator, improve their stage daring and understand a
	(purpose, conduct,	particular topic in great details. It's conducted on yearly basis, where $8^{ ext{th}}$
	feedback, impact,	semester/ Phase IV students give presentations on different topics related to
	suggestions)	one particular subject matter.
		This year the topic of discussion was Hypertensive disorders of pregnancy. The
		programme was outlined by Dr. Vaishali Korde, Prof & HOD , Dept of OBGY and
		it was executed by Dr. Priya Bagade, Assistant prof, Dept of OBGY.
		There were 32 short topic presentations by UG students, mentored by all the
		OBGY faculty and each topic was discussed in great detail. The symposium was
		also anchored by 8^{th} semester UG students only. After every presentation we
		had question answer rounds where students participated very enthusiastically
		and all the queries regarding the topic were answered by the faculty.
		At the end of the symposium certificates of appreciation were distributed to all
		UG students participating as speaker or anchors for the symposium.
		Feedback from all beneficiary students.
		100% students liked the event. 98% quoted that the symposium met their
		expectations.
		99 % students were satisfied with the content of the symposium. 96 % students
		mentioned that all their doubts being cleared about Hypertensive disorders of
		pregnancy.
		98% students stated, the information obtained through the symposium will help
		them evaluate the hypertensive pregnant patients much better. All most all
		presentations were liked by the students with maximum appreciation of MgSo4
		by Dharya Pimple and HELLP by Sudnya. 99% students voted for repetition of
		such events in future.
		Feedback from Participating Students.
		100% students were happy with their participation in the symposium of which
		most of them had an excellent experience & many quoted it as a good
		experience.
		79% stated that their presentation helped them to understand the topic very
		well and 42% students mentioned that it improved their stage daring and made
		them confident.
		Suggestions given by the students were
		Such events should be conducted on regular basis.
		Short breaks should be given in between.

9.	Circular / Notification (Date, time, venue, guest, speaker, faculty etc.)	Attached
10.	Pamphlet	Attached
11.	Attendance (if applicable)	Attendance Sheet attached
12.	Coloured geo- tagged photos (2 to 4)	Attached
13.	Certificates	Distributed to students participating as Speakers/ Anchors

Dear Sir/Madam,

Dear Sir/Madam, Department of Obstetrics and Gynaecology takes pride in inviting you to UG symposium " Colloquium 2022: A Peep into Hypertensive disorders of pregnancy" scheduled on 02/08/2022 from 09:00 am to 05:00pm. It's a conference of the students, for the students and by the students. Your presence will be very encouraging for students, so please make it convenient to attend and grace the occasion. Herewith attached is the brochure of the same.

Thanking you

Regards

Dr. Vaishali Korde Prof. & HOD

Dept. of Obst. & Gyn
