15.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions etc.)	The department of obstetrics and Gynaecology had an interdepartmental teaching with the pediatric department. Dr Bhavari HOD Paediatrics, took a lecture on Neonatal jaundice for the postgraduate students. He went into the basics as well as complications of neonatal jaundice and the importance of early detection and treatment. It was an interactive session with the participation of both students and faculty. Dr Vaishali Korde gave the vote of thanks and encouraged the students to look for neonatal jaundice during clinical rounds.
