15.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions etc.)	On 31st March 2022, an interdepartmental PG teaching was organised with the department of surgery. Dr Jaipalreddy Pogal , Consultant Oncosurgeon gave a lecture on Adnexal Masses. He emphasised the importance of detailed history and clinical examination and its correlation with ultrasonography. He told about the different tumor markers and their importance. This lecture was attended by obgy and surgery residents who were keen to learn about adnexal masses. The students asked their doubts which were addressed by the speaker. The students as well as the faculty were benefited by the talk on this topic. Dr. Sushma Sharma, Professor, OBGY, gave the vote of thanks.
