Subject: - Orientation program for rehabilitation of blind people and awareness about Low vision aids.

Department of Ophthalmology in collaboration with Community Eye Care Foundation (works in technical assistance of Vision Aid Inc, Boston and Rotary Club of Pune Downtown) is organizing an orientation program for rehabilitation of blind people and awareness about available low vision aids.

The program will be beneficial to ophthalmologists, optometrists, reception staff, nurses and support team members. It will apprise them about how to lead a blind patient, how to interact with them. It will also give information about the whole range of various optical and non-optical aids available to help patients with visual impairment. The program will be for an hour and will include didactic lectures, role play, sensitization and an interactive session. It will be conducted on 01st March 12 noon at Sushrut Hall. Interested faculty members, residents and Interns are requested to join the workshop.
