

Pharmacovigilance

Since 2021, our institution has been recognized as **ADR (Adverse Drug Reactions) Monitoring Centre** that collects the information regarding the adverse drug events particularly occurring in the population of Maval region and contributes to the Pharmacovigilance Program of India, 2010.

The screenshot displays the VigiLink National PV Centre interface for reporting an Unresolved CSR. The form includes the following sections:

- Report information:** Fields for Report title, Report type, Initial received date (31 July 2020), Initial report date, Received from, and Other report of (Report of, Report by, Add).
- Local criteria:** A question "Does this case fulfil the local criteria for an expedited report?" with Yes/No/Other radio buttons.
- Parent CSR report:** A checkbox labeled "Parent CSR report".
- Initial reporter information:** Fields for Reporter qualification, Title, Country of reporter (Sweden), Primary (checked), Given name, Family name, Department, Organisation, Street address, City, State or Province, and Postal code.

The interface also shows a taskbar at the bottom with various application icons and a system tray displaying the date and time (12:22 PM, 4/26/2022).
