by Piezo

* Note: Subject to availability of cases

Dear Colleagues,

This workshop is a tribute to my father Late Shri Dr. Suresh Ghaisas who was a constant source of inspiration and a strong guiding force in my professional and personal life.

Forever in debt from a loving son.

It gives me great pleasure to invite you all for the 7th International Rhinoplasty Workshop at Pune during February 26-28, 2023

I am in the field of Rhinoplasty since 2003.

To learn Rhinoplasty is a continuous life long process.

This workshop will be an excellent opportunity for all delegates from juniors to seniors for brushing up their knowledge and surgical skills.

We fondly recollect your overwhelming response to our last workshop in Pune. It was attended by 250 delegates.

We performed more than 10 rhinoplasty cases of an array of nasal deformities which had encouraged us to give you an even better experience this time.

We already have confirmation from three world leaders in our field and many national luminaries also have committed

Dr. Virendra Ghaisas

Course Director

Highlights of Scientific Program

- Live Surgery transmitted to venue
- Cadaveric Demonstration
- Didactic Lectures on Rhinoplasty
- Master's Video Session

Operating Faculty

Prof. Dr. Wolfgang Gubisch is the world leader in the field of Facial Plastic Surgery and Rhinoplasty. He is a Professor at Marien Hospital, Stuttgart, Germany. He is a teacher par-excellence and many of his students are leading facial surgeons in many parts of the world.
