

ACTIVITY REPORT

1.	Name of the activity	“BioFusion Fest”- Poster presentation, Rangoli competition & Flameless cooking competition
2.	Date & Time	15/02/2025 & 10 am to 4 pm
3.	Venue / Place	Biochemistry department
4.	Total number of participants/beneficiaries (No of individuals benefited by activity)	146 students
5.	Organizing Faculty / Medical team	Dr. Vaishali V. Dhat Dr. Aparna Chaudhari Mrs. Sangeeta Kokane Dr. Sayali Yadav Dr. Geeta M. Bhatia Mrs. Nutan Chaudhari Dr. Laxmi Gore
6.	In-charge	Dr. Vaishali V. Dhat Mrs. Nutan Chaudhari Dr. Aparna chaudhari Mrs. Sangeeta Kokane
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>The Department of Biochemistry successfully organized three engaging competitions -Flameless Cooking, Poster Making, and Rangoli Competition - for 1st MBBS (2024-2025) students. These events aimed to promote creativity, teamwork, and a deeper understanding of biochemistry through innovative and artistic expressions. Students actively participated and showcased their talent, integrating biochemistry with artistic and practical applications.</p> <p>The Flameless Cooking Competition encouraged students to prepare nutritious, biochemically balanced meals without using fire-based cooking methods.</p> <p>In the Poster Making Competition, students created visually appealing and informative posters on the case based scenarios related to biochemistry.</p> <p>The Rangoli Competition blended art with medical science, where students designed rangoli patterns that depicted biochemical processes, molecular structures, and medical symbols.</p> <p>The event was a grand success, fostering enthusiasm among students and promoting an interdisciplinary approach to learning. The event encouraged students to think beyond textbooks and explore biochemistry in an interactive and enjoyable manner. This activity was appreciated by Faculty members and all the staff of our institute.</p>
