6.	In-charge	Dr. Vaishali V. Dhat
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	A field visit was organised by the Phase 1 departments to World peace Dome at MIT ADT University Loni Kalbhor on 29th November 2025. A total 143 students along with all the teaching and nonteaching staff of phase 1 departments were present for the visit. The aim of the visit was to reinforce the several attributes of the Indian Medical Graduate. We visited the world peace dome, Meditation hall, Library, Raj Kapoor memorial, Marine engineering campus, IT campus etc. The dome's integration of science, spirituality and humanity encouraged a spirit of curiosity and reflection supporting the development of a lifelong learner. Most importantly the visit helped students appreciate the humanistic side of medicine, reinforcing the role of a compassionate clinician who treats the patients not just with knowledge but with kindness understanding and moral integrity. Many students shared that it has broadened their perspective and inspired them to aim higher. Overall the visit was insightful and inspiring for students as well as faculty members.
8.	Number of faculties attended (Guest lecture/ CME/ Workshop/ Seminar/ Health camps)	---
9.	Number of Students/ Technicians Attended	1st MBBS students - 143 Teaching & Non-teaching staff - 33
