7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	On the occasion of National Pathology Day 2026, MAEER MIT Pune's MIMER Medical College & Dr. BSTR Hospital, Talegaon Dabhade marked a proud milestone with the Inauguration of the VITROS 4600 Chemistry System. The spotlight of the event shone brightly on the thought provoking address "Automation: Kal, Aaj Aur Kal" by Dr. Manisha Patwardhan, Head Quality at A G Diagnostics who spoke on the importance of automation in laboratory medicine. Her message was powerful and timely. Automation helps laboratories become faster, smarter, and more efficient, but the heart of laboratory medicine still lies in the knowledge and clinical interpretation of Clinical Biochemists experts and Pathologists. The academic session continued with Dr. Rajendra Zope, Professor Pathology MIMER Medical College who shared details about the newly installed machines in the Pathology section, reflecting the institution's continued commitment to advancement and quality. The QuidelOrtho presentation by Mr Kailas Ghait added another exciting dimension by discussing Dry Chemistry technology and Intellicheck technology, offering a glimpse into the evolving world of diagnostics. It was an inspiring celebration of science, service, and progress.
