

ACTIVITY REPORT

1.	Name of the activity	Lecture on "SWAYAM Prabha: A Digital Initiative for Quality Education"
2.	Date & Time	18/06/2025 & 10.30 am to 11.30 am
3.	Venue / Place	Anatomy Lecture hall, College Building
4.	Total number of participants/beneficiaries (No of individuals benefited by activity)	30
5.	Organizing Faculty / Medical team	Dr. Vaishali V. Dhat Dr. Ashwini Bhele Dr. Janice Jaison
6.	In-charge	Dr. Janice Jaison
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	An informative and collaborative session was organized under the aegis of the Internal Quality Assurance Cell (IQAC) of MIMER Medical College to promote awareness and participation in the SWAYAM Prabha initiative, a Government of India digital platform aimed at improving the reach and quality of education through satellite-based channels and Massive Open Online Courses (MOOCs). The session commenced with Dr. Deepa Nair, Principal of MIMER Medical College, delivering the opening remarks. She emphasized the transformative potential of digital learning in medical education and expressed the institute's commitment to actively participate in national platforms like SWAYAM Prabha. Dr. Vaishali Dhat elaborated on the SWAYAM Prabha initiative launched by the Ministry of Education, highlighting its role in making high-quality education accessible to all via 24x7 DTH channels. She emphasized the importance of faculty involvement in the creation of discipline-specific video content, especially in pre-clinical and para-clinical subjects. She encouraged all relevant department faculty to coordinate with the IQAC to schedule recording sessions. Dr. Ashwini Bhele provided a comprehensive overview on how to develop MOOCs (Massive Open Online Courses). Dr. Bhele also shared insights into the procedural aspects of uploading courses to the SWAYAM platform and encouraged faculty to take up the challenge of creating impactful, curriculum-aligned MOOCs. The session was concluded by Dr. Janice, who offered a concise summary of all the presentations. She appreciated the insightful contributions of the speakers and thanked all the attendees for their enthusiastic participation. Dr. Janice reiterated the strategic importance of integrating digital education tools into medical teaching and encouraged all departments to follow up with concrete action plans.
8.	Number of faculties attended (Guest lecture/ CME/ Workshop/ Seminar/ Health camps)	30
9.	Number of Students/ Technicians Attended	---

Prof. & Head
Dept. of Biochemistry
MIMER Medical College
