7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	World Anatomy day was celebrated on 15th October 2024 by Dept of Anatomy. This year recently passed first year batch 2023-24 students participated. They were divided into 10 groups dissection table wise. This year theme for World Anatomy day was Anatomy in Motion. Each group was given one topic of model making (Articular intelligence – working model of allotted joint), one topic for poster making (Anatomia Athletica – actions in sports), reel making (Hand Gestures) & Rangoli making competition (Gifted Hands). On each dissection table coordinators were chosen voluntarily for communication with the faculties. All students showed great efforts and creativity for making these models and posters. All students drew 10 rangolis on the theme 'Gifted hands' giving some social messages. For reel competition five students from each DT participated. These students did direction,

		<p>acting and voice over in the reels without any external help. For judging.</p> <p>Models & Poster, for first time, judges were called from outside the institute. Models were judged by Dr. Preeti Sonje Madam (Professor & HOD Dept of Anatomy Dr. D Y Patil Medical college, Pimpri, pune) .
