6.	In-charge	Dr. Shashank Vedpathak, Dr. Makarand V Apte
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	International Down's Syndrome Day is celebrated on 21st March every year. Anatomy department celebrated this day by conducting an Extracurricular activity – Movie club. Sitare Zameen Par is a poignant Indian drama that explores themes of resilience, family, and societal inclusion through the life of an individual with Down syndrome. Screening this film on Down Syndrome Awareness Day offers an opportunity for medical students to reflect on delivering compassionate, patient-centred care to individuals with intellectual disabilities. This Movie was shown to the students to create disability awareness, sensitize them about the stigma the children of Down's syndrome are facing in society & to discuss with them the theme of this year 'Together Against Loneliness'.
8.	Number of faculties attended (Guest lecture / CME / Workshop /Seminar/Health camps)	----
9.	Number of Students Attended	57
