7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	Department of Anatomy organised body donation awareness program as part of outreach activity of department at Jesth nagarc club, Amit Bloom Field Society, Ambegoan . Dr.Sushama Chavan was part of this activity. Dr. Sushama Chavan gave detail information and made aware about Body donation to the audience. In the form of PowerPoint presentation in Marathi Queries of audience about body donation were solved. They were told the difference between body donation and organ donation. After their presentations body donation forms were circulated to the audience. About 10 people voluntarily asked for the forms. This was the 5th outreach activity of our department. There were 43 beneficiaries the program was well organised by Mrs.Urmila Somani.further it was asked to conduct the program on bigger scale within the society which was very encouraging.
