8.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>International Deaf Day is celebrated annually on September 23rd to raise awareness about the challenges faced by individuals with hearing impairments. In commemoration of this important day, a series of events were organized on September 23, 2023, at Department of E.N.T, MAAR MIT Pune's MIMER Medical College, aimed at educating student community and the public about the prevention of deafness and fostering a more inclusive society.</p> <p>Poster Competition for Undergraduate Students A poster competition was organized for undergraduate students on the theme of "Prevention of Deafness." : The first prize winning entry was by 3rd Year M.B.B.S student Aishwarya Bhagwan Tidke and second prize was won by Khushi Tank. Their poster effectively conveyed the importance of hearing health and prevention of deafness through striking visuals and informative content. The posters made by remaining student were also commendable and shower the creativity of our students.</p> <p>Patient Lecture on Deafness: A patient lecture on deafness was organized by E.N.T faculty to provide insights into the real-life experiences of individuals living with hearing impairments. The lecture by Dr. Devadatt P Kotnis aimed to foster empathy and understanding among the attendees. Prof. Dr. Santhosh Kumar Rajamani provided valuable information to students</p>
