

ACTIVITY REPORT

1.	Name of the activity	Antimicrobial Awareness Week 2025 : Student Seminar
2.	Date & Time	24 th November 2025 2:30 pm to 4:00 pm
3.	Venue / Place	Pathology Lecture Hall
4.	Total number of participants/beneficiaries (No of individuals benefited by activity)	88
5.	Organizing Faculty / Medical team	Dr. Swati Sahai, Assistant Professor, Dept. of Microbiology
6.	In-charge	Dr. Swati Sahai, Assistant Professor, Dept. of Microbiology
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	The Department of Microbiology, MIMER Medical College, celebrated World Antimicrobial Awareness Week (18-24 November) by conducting student seminar which aimed to deepen the understanding of this crucial global health topic. This year's theme: Act now, protect our present, secure our future — a powerful reminder that every responsible action today safeguards the health of generations to come. The seminar guided through the global burden and importance of antimicrobial resistance, followed by an overview of its various types. The students also spoke on specific resistant organisms, including MRSA, VRE, ESBL-producing bacteria, AmpC producers, and carbapenemase-producing pathogens. Through these discussions, the awareness and understanding of AMR was enhanced.
8.	Number of faculties attended (Guest lecture/CME/Workshop/Seminar/Health camps)	7
9.	Number of Students Attended	81
