5.	Organizing Faculty / Medical team	Dr. Swati Sahai – Assistant Professor Dr. Neetu Mehrotra - Assistant Professor Mrs. Smita Watve - Tutor Microbiology department staff
6.	In-charge	Dr. Swati Sahai, Assistant Professor Dr. Sadhana Chate, Professor & HOD Dr. Sandhya Kulkarni, Professor & Vice-Principal
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	The Department of Microbiology, MIMER Medical College, organized a guest lecture titled “ Central Line-Related Bloodstream Infections: Preventing the Hidden Threat ” to mark the celebration of Infection Prevention Week. The session was delivered by Dr. Jaishree Madhusudan Petkar , Professor and HOD, Department of Microbiology, PCMC Post Graduate Institute, YCM Hospital, who shared her expertise on one of the most

		critical challenges in healthcare – CRBSI. She emphasized that while central venous catheters are essential for administering life-saving treatments, they can become sources of serious infections if not managed with strict aseptic precautions. The event was attended by an enthusiastic audience comprising faculty members, postgraduate residents, interns, and staff nurses.
8.	Number of faculties attended (Guest lecture/CME/Workshop/Seminar/Health camps)	26
9.	Number of Students Attended	42
