6.	In-Charge	Dr Gauri Yadav, Dr Sadhana Chate.
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions etc.)	<p>On 15 Oct. 2025, Global Handwashing Day urges everyone to become a “hand-washing hero” by washing their hands with soap at key moments, promoting behaviour change, and protecting global health.</p> <p>The theme of the day was "It might be gloves. It's always hand hygiene," which highlights that even when gloves are used, proper hand hygiene remains crucial. The Infection Control Nurses delivered a brief lecture and conducted hands-on training for OT staff and Nurses at NICU, PICU and ICU to create and strengthen the Hand Hygiene practices in these key areas. They explained the role and importance of hand hygiene in the prevention of healthcare-associated infections. All the staff performed WHO-recommended Hand Hygiene under the guidance of ICNs.</p>
8.	Number of Faculties attended	NA
9.	Number of Students attended	NA
