Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions etc.)	On occasion of International Women's Day, every year, the girl child born on 8th March in our labour room, is given free treatment for one year. This year, hon'ble Executive Director Dr. Suchitra Nagare madam announced that free treatment will be given to these children upto 18 years of age. Two patients who delivered female children were felicitated by the Executive Director madam. Progressive steps like these will sensitize the public who consider females as a load and improve the health of the girl child.
