

ACTIVITY REPORT

1.	Name of the activity	PG Student Skill development
2.	Date	12/11/2021
3.	Time	12:30pm
4.	Venue	Labour Room
5.	Total number of participants/beneficiaries	03 Postgraduate students and 15 interns and 4 staff nurse.
6.	Faculty / Medical team	Dept. of Obstetrics & Gynaecology
7.	In-charge	Dr. Pranali Ghuge
8.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>Post partum hemorrhage is an important cause of maternal morbidity and mortality. To emphasise the importance of prompt diagnosis and management of cases of PPH, the postgraduate students, interns and staff of Obstetrics & Gynecology participated in a drill. The students managed scenario of a postpartum patient with PPH and demonstrated assessment of the patient, effective communication, following protocols and actions required for optimum management of the patient. The students and labour room staff learnt to practice teamwork, effective communication and technical skills in case of PPH. This drill was supervised by Dr Pranali Ghuge, under the effective guidance of HOD Dr Vaishali Korde and Dr Sushma Sharma. The teachers gave feedback to the students for further improvement and suggested that such mock drills should be done every few months for obstetric emergencies.</p>
9.	Circular / Notification (Date, time, venue, guest, speaker, faculty etc.)	NA
10.	Pamphlet	NA
11.	Attendance (if applicable)	NA
12.	Coloured geo-tagged photos (2 to 4)	Attached
