BREAST FEEDING WEEK

“A newborn has only three demands. They are warmth in the arms of its mother, food from her breasts and security in the knowledge of her presence. Breastfeeding satisfies all three.”

The theme for celebrating breastfeeding week this year (02/08/2021 to 06/08/2021) was “Protect Breastfeeding: A Shared Responsibility” in which various activities were organized for the patients by the Department of Obstetrics and Gynecology. The following were the activities conducted:

Programme Schedule

Active participation by the faculty, residents, interns and patients was seen throughout the week. A roleplay displaying importance of breastfeeding was presented by OBGY residents and interns. Dr. Vaishali Korde, Dr. Shashikant Pawar and Dr. Sachin Vedpathak gave a talk on breastfeeding to the patients and also answered many questions asked by their relatives. They emphasized on common wrong practices and myths patients have regarding breastfeeding and guided all of them about correct practices which was appreciated by the patients and relatives. Also there was demonstration of proper breastfeeding technique by the physiotherapy students.

Also the quiz on Lactation was organized for 8th semester students. Winners of the quiz were awarded different prizes by the hands of Dr. Sushma Sharma, Professor. Quiz was well conducted by Dr. Priya Karmani.

Dr. Priya Bagade gave a talk on Lactation & conducted pre and post test for 8th semester students.

In total breast feeding week celebration was a huge success of department of OBGY.
