DAY 5

1.	Name of the activity	AMRUTPAN SAPTAHA WORLD BREASTFEEDING WEEK
2.	Date	05/08/2023
3.	Time	10:00am-12:00Noon
4.	Venue	OBGY – PNC WARD, BSTR Hospital Talegaon (D)
5.	Total number of participants/beneficiaries	40 women
6.	Faculty / Medical team	OBGY Department
7.	In-charge	Dr. Jaya Barla

8.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	A talk on breastfeeding and lactation was given by Dr Jaya Barla on 5 th august 2023 in the postnatal wards. As part of world breastfeeding week from 1 st to 7 th August, Team OBGY has been conducting various activities and on 5 th August 2023, postpartum patients in the postnatal ward were encouraged to follow exclusive breastfeeding for first 6 months for the baby. The use of proper techniques of breastfeeding was discussed. The patients were shown demonstrations of various positions (cradle, cross cradle etc). The relatives of the patients were educated regarding support needed during lactation. Focus was also given to the various myths regarding breastfeeding practices and these myths were resolved. The postpartum women were educated regarding good hygiene practices during breastfeeding and baby handling. Importance of colostrum for newborn babies was reiterated. The talk was followed by an interactive session with questions from mothers, mother in law, parents of breastfeeding mothers also focusing on support by partners of breast feeding mothers.

7.	In-charge	Dr. Priya Karmani

<p>8.</p>	<p>Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)</p>	<p>As part of world breastfeeding week from 1st to 7th August, Team OBGY has been conducting various activities and on 7th august 2023, the students of phase 3 part 2(9th semester) were encouraged to participate in a quiz on breastfeeding and lactation. There were 4 teams, consisting 3 members each (teams A,B,C,D) . The quiz had 4 rounds focusing on various questions on breastfeeding and lactation. The quiz was conducted by Dr Priya Karmani. It was an interactive session wherein the audiences were the rest of the members from phase 3 part 2. They were asked seperate questions for the same topic of breastfeeding and lactation. There was interactive teaching and learning done in between the quiz rounds. The performance of the students regarding this topic was also taken into account. The students displayed an enthusiastic and scholastic performance. Team B was the winner and the members of team B were awarded prizes at the hands of HOD, OBGY Dr Vaishali Korde. Thus breastfeeding and its importance were reiterated as part of academics as well as awareness was facilitated amongst the young generation of soon to be medical professionals who will become the first contact for many pregnant and breastfeeding mothers of tomorrow.</p>
