13.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions etc.)	<p>The WEBER Company had arranged a demonstration and hands-on training on COLPOSCOPY and cervical cancer screening. Although cervical cytology is a regularly done in the OPD, colposcopy is a step further to identify the lesions and mark the areas for biopsy. The participants learnt about the correct method of performing Colposcopy by the colposcope. The residents did the screening procedure and the findings were discussed by Dr Korde and Dr Mane.</p> <p>The feedback about the session was good and it was planned to do regular colposcopy along with from Cervical cytology.</p>
