Activity report

Department: Obstetrics and Gynecology

Name of the Activity: Online / Offline Guest Lecture on

“Protect Breastfeeding: A Shared Responsibility”

Duration of Activity: 3hrs.

Participants: No. of faculty: 22

No. of students: 79

Brief description of the Activity: **Guest Lecture**

“Protect Breastfeeding: A Shared Responsibility”

A guest lecture on “Protect Breastfeeding: A Shared Responsibility” was arranged by the Department of OBGY, MIMER Medical College on 05/08/2021. Professor Dr. Vaishali Korde Nayak welcomed and introduced our guest speaker Dr. Mangala Wani .

IBCLC (International Board Certified Lactation Consultant) awarded Dr. Wani took us detour from our routine obstetric practices. With her we understood “BREASTFEEDING”, the natural health supplement in many different and productive ways. Our faculty, nursing staff and all the mothers learnt about the art and science of breastfeeding in a qualitative manner. “BFHI – Baby friendly hospital initiative” was now understood in genuine sense under the guidance of our astute guest speaker. Our principal Dr. Sandhya Kulkarni & Medical Superintendent Dr. P.S. Kamat graced the occasion and expressed the need to talk about breastfeeding . Vote of thanks was given by Dr. Sachin Vedpathak.
