12.	Coloured geo-tagged photos (2 to 4)	Attached
13.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions etc.)	<p>Department of OBGY celebrated MENSTRUAL HYGIENE DAY & INTERNATIONAL DAY OF ACTION FOR WOMEN'S HEALTH on 30th May 2023. Awareness talks were conducted for our young students of Nursing and Physiotherapy.</p> <p>Dr. Vaishali Korde (HOD, Obgy) spoke about necessity of understanding Menstruation and Menstrual hygiene and promoted awareness among young minds so that they go out as health care providers to spread the word. It was well received by students as the talk was of more practical importance.</p> <p>Ms Shital Pawar, Asst. Prof Nursing College later spoke about the encouragement provided by the Government of India to promote Menstrual hygiene and Reproductive health by introducing various schemes for adolescent girls at grass root level. It was an eye opener and suggested the importance of hygiene.</p> <p>Dr. Shashikant Pawar (Associate Prof),</p>

		<p>spoke about Reproductive health and its importance in young Girls. He opined that better reproductive health in girls, better the family health and better the Society to larger extent. His talk was very engaging and thought provoking. It was a grand success as the young students took with them knowledge of hygiene which will lead to a better and healthy future.</p>
