### SAFE MOTHERHOOD DAY

“MOTHERHOOD- All love begins there and ends there”

On the occasion of SAFE MOTHERHOOD DAY on 11<sup>th</sup> April 2021 our faculty Dr. Vaishali Korde-Nayak (Prof and Head, Dept of OBGY) participated in a “LIVE TALK SHOW ON AKASHWANI-101” speaking about safe motherhood practice which was relayed on 11.4.2021. She was in conversation with live audience and answered there queries.

This was a very innovative topic and had great response from general public. This platform could reach to remote areas and was a grand success. Thus department of OBGY, MIMER Medical College is always ready to create awareness regarding maternal health and bring positive change in our society.
