5.	Organizing Faculty / Medical team	Team OBGY
6.	In-charge	Dr Vaishali Korde , Dr Jaya Barla/Dr Pranali Ghuge
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>The Department of Obstetrics and Gynaecology organized a full day Symposium COLLOQUIUM 2025-Demystifying labour and delivery for undergraduate medical students of Phase 3 part2. The event aimed to promote self-directed learning, encouraging the students to take an active role in understanding the physiological, clinical, and practical aspects of labour and delivery.</p> <p>During the symposium, undergraduate students made well-prepared presentations on a wide range of topics, comprehensively covering all aspects of the labour process. There were 30 presenters and each speaker presented with clarity and confidence, reflecting both the depth of their preparation and their enthusiasm for the subject.</p> <p>The session not only enhanced the students' academic understanding but also contributed significantly to their personality development and communication skills. All Faculty members from the department, mentored and guided the students throughout the preparation process, ensuring both good academics and refinement of presentation skills.</p> <p>The symposium was graced by the Chief Guest Dr (Brigadier) SK Kathpalia, Prof. and HoU, Dr DYPatil Medical College, Pimpri, a senior and highly respected teacher who appreciated the initiative and commended the efforts of both students and faculty in making the session a success. Participants were given appreciation certificates.</p> <p>Overall, the symposium was an enriching academic exercise that fostered teamwork, confidence, and self-learning among undergraduate medical students, while reinforcing the Department's commitment to innovative teaching</p>

		methods. The students gave good feedback.
