7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	The Department of Obstetrics and Gynaecology organized the 6th Endoscopy Master Class in collaboration with the Indian Association of Gynaecological Endoscopists (IAGE). The event marked a milestone with the first-ever use of advanced 3D 4K technology for endoscopic gynaecological surgeries in the Maval region. The workshop aimed to enhance the knowledge and surgical skills of practicing gynaecologists and postgraduate students through advanced surgical techniques, innovative treatment approaches, and live laparoscopic and hysteroscopic surgical demonstrations. The scientific programme featured live surgeries by eminent faculty, including Dr. Pandit Palaskar (Past President, IAGE), Dr. Nitin Shah (Mumbai), Dr. Mohil Patel (Ahmedabad), and Dr. Balaji Nalawad Reddy (Pune), who shared their expertise and practical insights into minimally invasive gynaecological surgery. The combination of live operative demonstrations, scientific sessions, and interactive discussions made the 6th Endoscopy Master Class 2026 an academically vibrant event The workshop was attended by over 130 gynaecologists, consultants, and postgraduate students from across Maharashtra. Everyone praised the academic event.
