Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>In observance of the International Day of Action for Women's Health and Menstrual Hygiene Day, a skit and health talk were conducted in the PNC Ward and OBGY OPD. Recognizing that menstrual hygiene is a vital component of women's health, the Department of OBGY aimed to raise awareness about the issue, especially since a significant portion of the female population still lacks access to essential menstrual hygiene products and facilities.</p> <p>Dr. Vaishali Korde, Head of the OBGY Department, led the health talk, highlighting the importance of maintaining menstrual hygiene, practicing proper care during menstruation, and ensuring the safe disposal of menstrual waste. She addressed how menstrual hygiene is essential for health of women.</p> <p>The session, primarily targeted at patients, was interactive and sparked meaningful discussions on different types of menstrual products, their benefits, and possible health risks. A total of 145 attendees participated, and the event received widespread appreciation.</p> <p>Additionally, a skit performed by medical interns effectively illustrated topics such as menarche, menstrual hygiene, and the broader significance of the International Day of Action for Women's Health.</p>
