2.	Date & Time	26 <sup>th</sup> September 2024 10-1pm
3.	Venue / Place	OBGY OPD -44
4.	Total number of participants/beneficiaries (No of individuals benefited by activity)	Patients and attendants- 50
5.	Organizing Faculty / Medical team	Dr Vaishali Korde Dr Jitendra Mane
6.	In-charge	Dr Jaya Barla
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	To raise awareness, World Contraception Day is observed on September 26th. The Department of Obstetrics and Gynaecology marked the occasion by organizing a video demonstration showcasing various contraceptive methods. Dr. J.D. Mane delivered a health talk discussing both temporary and permanent contraceptive options available at the facility, emphasizing the importance of partner involvement in family planning. Dr. Vaishali Korde highlighted the need for women to take control of their reproductive health through contraception, empowering themselves in the process. Dr. Korde also demonstrated the safety and effectiveness of different contraceptive methods, including intrauterine devices, barrier methods, and

		sterilization, through informative videos. The session concluded with addressing patient queries related to contraception. The initiative was well-received, and the feedback was positive, with attendees appreciating the effort
8.	Number of faculties attended (Guest lecture/CME/Workshop/Seminar/Health camps)	04
9.	Number of Students Attended	04 - Interns
