7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	On the occasion of the International Day of Action for Women's Health, a health education session on menstrual hygiene was conducted for patients attending the outpatient and antenatal clinics. The session was delivered by Senior Resident Dr Vaishnavi and JRs Dr Sharyu and Dr Sukanya from the Department of Obstetrics and Gynaecology. The objective was to create awareness regarding menstrual hygiene practices, safe use and disposal of sanitary products, prevention of reproductive tract infections, and dispelling common myths associated with menstruation. Interactive discussions encouraged active participation and clarification of doubts. Feedback from participants was positive, with many expressing improved understanding and confidence in menstrual health management. The activity contributed to promoting women's health awareness. Regular educational sessions, distribution of informational materials, and community outreach programs were suggested to sustain and expand the impact of such initiatives.
