6.	In-charge	Dr. Priya Bagade
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>On the occasion of International Kangaroo Care Awareness Day, the Department of OBGY conducted an awareness programme on Kangaroo Mother Care on 15/05/2026. A health talk was delivered by Dr. Vedashree Pawar, highlighting the importance of Kangaroo Mother Care in the early neonatal period, especially for preterm babies. The beneficiaries included patients and their relatives attending the hospital, including fathers of newborns.</p> <p>An informative skit was performed by the postgraduate students demonstrating the correct positioning for latching, the health benefits of breastfeeding, and the recommended duration of breastfeeding. Dr. Gopalghare. Professor, concluded the session by emphasizing the importance of the topic and encouraged all new mothers to practice skin-to-skin contact and breastfeeding methods regularly.</p>
8.	Number of faculties attended (Guest Lecture/CME/Workshop/Seminar/ Health camps)	Faculty-03
9.	Number of Students Attended	PG-07
