Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>The Mentorship committee in association with IQAC, conducted a workshop on Mentorship "MANTHAN"- Mentoring the Mentors. Dr Nirmala Rege and Dr Santosh Salagre from Seth G S Medical College, Mumbai were the resource faculty invited to conduct interactive sessions during the workshop. To address the growing challenges for the mentors and the non participation from the mentees a faculty development workshop on mentorship was planned as it was the need of the hour. A total of 80 faculty including professors, associates, assistants and tutors were enrolled on two different days. Brainstorming sessions by the resource faculty on mentors, mentees and their interactions were informative and helped shape up the programme policies in the light of these new developing of understanding of the mentorship skills and requirements. The participants were enthusiastic and were keen on improvising their skills required for such interpersonal connections between mentors and mentees . The mentorship committee members also conducted a SWOT analysis session with the resource faculty at the end of the workshop.</p>
