

## ACTIVITY REPORT

1.	Name of the activity	Skill lab Activity
2.	Date & Time	23/01/2025 10am-1pm
3.	Venue / Place	Focus-The Skill Lab
4.	Total number of <b>participants</b> /beneficiaries (No of individuals benefited by activity)	14
5.	Organizing Faculty / Medical team	Dr Vaishali Korde
6.	In-charge	Dr Meenakshi Surve
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	Skill development is a crucial aspect of obstetrics, and simulation using mannequins plays a significant role in this process. As part of their training, students participated in a simulation session led by Dr. Meenakshi Surve to learn the management of postpartum hemorrhage (PPH). The session included demonstrations of active management of the third stage of labor, uterine massage, and cervical exploration on a mannequin. Initially, the instructor demonstrated the techniques, after which the students practiced them. The session received positive feedback from the students.
8.	Number of faculties attended (GuestLecture/CME/Workshop/Seminar/Health camps)	01
9.	Number of Students Attended	14
