6.	In-charge	Dr. Pradnya Bhalerao (Asst.Prof)
7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>Glaucoma Awareness Day was celebrated in the Ophthalmology OPD on 12th March with the objective of spreading awareness about glaucoma among patients and relatives. As part of the awareness initiative, an audio-visual presentation on glaucoma was played continuously from morning hours in the OPD waiting area. This helped educate a large number of patients. In addition to this audio-visuals awareness Dr. Sonali, Dr. Apurva, and Dr. Akshata (JR1) actively participated in creating awareness among patients. They explained in simple and understandable language about glaucoma symptoms, need for periodic eye examinations, proper use of anti-glaucoma medications, and lifestyle modifications. They also addressed common doubts and misconceptions related to</p>

		glaucoma treatment and prognosis. The activity witnessed good patient engagement and participation. Many patients and their relatives showed keen interest in understanding the disease and appreciated the efforts taken by the Ophthalmology team to promote eye health awareness.
8.	Number of faculties attended (Guest lecture/CME/ Workshop /Seminar/Health camps)	05 (Dept. Faculty)
9.	Number of Students Attended	14 (PG)
