11	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	On the occasion of International Epilepsy Day (February 14 , 2023) , with the help of banners and posters , the burden and significance of epilepsy was emphasized and explained to the senior residents and junior residents . The meaning and importance of seizures and epilepsy was explained and demonstrated to the caregivers and parents of the children admitted in the ward and OPD. Videos were shown when necessary , demonstrating few common forms of seizures and their local correlate language . This session was interactive and many parents queries were cleared. Session was organized by Dr Jayanth Krishna (Pediatric Neurologist), Dr. Eric Dsouza & Dr. Vivekanand Giri.
