Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>World child labour Day is celebrated annually on 12 June to spread awareness and encourage actions for protection of the children under the age of 14 from child labour. The theme for this year was to spread awareness among the parents regarding education of children between age group of 6 to 14 ' . This campaign was conducted by staff of RHTC and interns. They gave a talk to the people of Sudumbare and spoke about adverse effects of child labour on development and health and wellbeing of children. They advised the people about identifying child labour, its effects, and laws regarding it. They encouraged people to not send their children on work instead send them to school and make them a better citizen They motivated people to take an active role in identifying, reporting and preventing child labour</p> <p>This activity was held under the able guidance of HOD & Prof. Department of Community Medicine Dr. S. V. Chincholikar, I/C RHTC Assot. Prof. Dr. S. J. Kulkarni & Medical Officer Dr. Abhay Tophkhane.</p>
