7.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	World Environment Day is celebrated annually on 5 th June to spread awareness and encourage actions for protection of the environment. The theme for this year was “putting end to plastic pollution”. This campaign was conducted by the staff of Sudumbare and spoke about adverse effects on environment by human actions. They advised the people about conservation of the environment and different ways to do it. They encouraged people to adopt eco-friendly practice. They motivated people to take an active role in creating environmental preservation strategies. This activity was held under guidance of HOD and prof Dept of Community Medicine Dr. S. V. Chincholikar. I/C RHTC Asso Prof Dr. S J Kulkarni, Dr. Abhay Tophkhane, Dr. Bhide, and Dr. Aniket
