Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>On Wednesday, 25/02/2023 Dr. Gajanan kanitkar, an eminent figure in the world of oncosurgery and a senior consultant surgical oncologist in ruby hall clinic pune. He received his training from New York Presbyterian and sloan keating cancer centre in the US and is a fellow in laparoscopic colo rectal surgeon from Kyunpook National University South Korea. He took a guest lecture for the postgraduate students of the department of General Surgery.</p> <p>The lecture was titled surgical management of colo-rectal carcinoma with the aid of various case scenarios sir explained various investigations used to diagnose carcinoma of colon and rectum and charted down a rough guideline to be followed while diagnosing any case of colorectal carcinoma. Sir also explained to the PG students about the clinical presentation and investigations. He gave a brief idea on all the new parameters for diagnosis which enable us to catch any disease at an earlier stage and which in turn improves the prognosis. He talked about his experiences overseas in the field and described a few interesting cases that he encountered.</p> <p>The lecture was very informative and enlightening for all the PG students.</p>
