9.	Brief summary of the event in around 100 words (purpose, conduct, feedback, impact, suggestions)	<p>Dr. Ashish Pathak, an eminent figure in the world of anaesthesia and a senior consultant and head of department in Manipal Hospital Baner Pune conducted a guest lecture on 29/03/2023 on Perioperativ³ fluid management.</p> <p>He is a certified ATLS instructor from American College of Surgeons and has been awarded as a distinguished teacher by NBE. He took a guest lecture for the post graduate students of the department of General Surgery, Anaesthesia, ENT and obstetrics and gynaecology.</p> <p>The lecture was titled Fluid management in perioperative period. A topic of immense importance and crucial in surgical practise. Sir explained the basics of fluid management. Various methods of calculation for fluid and electrolyte deficit. Sir also explained about ERAS protocol and why it should be adopted. The lecture was unique in a way that it was an open discussion and reflected his love and zeal for teaching. The lecture was very informative and enlightening for all the PG students and we would like to Sir to enlighten us on other topics as well in near future. The lecture was very informative and enlightening for all the PG students.</p>
