He's the Founder and Director of GI Oncology at Ruby Hall Clinic. He was invited to deliver a guest lecture on 3/7/24 on pancreatic neoplasms. He spoke to the post graduate students of the department of General Surgery. The lecture was titled "Pancreatic Neoplasms and its management". His junior consultant Dr Jasmine Agrawal also addressed the students and guided them through the management protocol. The lecture was excellent as it was an interactive discussion and helped the students in strengthening their principles of hepatobiliary management. It was very informative and enlightening for all the PG students.</p>
