Milestone Postgraduate M.D/M.S Training Program – Milestones of training progression and checklist

As a part of comprehensive training program of Postgraduate M.D/M.S students, the following checklist is developed by the Postgraduate Curriculum Committee.

Students must have completed the milestone at the predetermined time frame and the faculty must ensure the proper completion of the training/ achievement milestones.

Students are to be assessed every 3rd Monthly beginning from the date of joining the program. This would constitute their formative assessment and departments must maintain records of the assessment.

Quarterly assessment during the MS training should be based on following educational activities as per CBME guideline 2022 of NMC:

1. Journal based / recent advances learning
2. Patient based /Laboratory or Skill based learning
3. Self-directed learning and teaching
4. Departmental and interdepartmental learning activity
5. External and Outreach Activities / CMEs

Postgraduate Logbook should be dated and written on a daily basis and should contain details of academic activity, patients attended, interesting or novel or rare cases, emergencies attended, CME programs, case presentations, seminars, journal clubs and operations/surgeries/ procedures performed or assisted. This is in line with PG CBME logbook guidelines of MUHS.

District residency programme (DRP)

Postings in District Hospital shall be a functional public sector/government-funded hospital of not less than 100 beds with facilities/staff for the designated specialties at that level/facility. Such rotation shall take place in the 3rd or 4th or 5th semester of the Postgraduate programme.

**MAEER MIT Pune's MIMER Medical College and Dr. BSTR Hospital,
Talegaon Dabhade, Pune**

Postgraduate Curriculum Committee

An Calendar year is divided up into 3 monthly – 4 quarters and hence the PG program of 3 years has 12 quarters leading up to summative final examination conducted by the MUHS. These are counted from the month of joining the program and are usually around August.
